DIPTANU BAIDYA

Full Stack Java Development

https://diptanubaidya4portfolio.netlify.app/

I Diptanu Baidya, recently completed a Post Graduate Certification in Java Full Stack Development from Edu-Bridge India: Professional Online Course. Proven ability to design and develop web applications using Angular, Spring Boot, and MySQL. Expertise in HTML, CSS, JavaScript, Bootstrap, Core Java, and MySQL. Strong soft skills in observation, decision making, communication, and multi-tasking. Seeking a challenging role in a fast-paced environment where I can use my skills and experience to make a significant contribution.
